

**Minutes of the USS Truxtun Association Meeting  
October 11, 2014  
Jacksonville, FL**

The meeting commenced was held in the Radisson and accomplished the following:

**Nomination and Election of Officers for 2014–2016:**

Steve Rovin–President  
Skip Ryan–Vice President  
Jerry Kosowski–Secretary  
Dave Holland–Treasurer  
J. V. Jones–Historian  
Dave Holland–Chaplain (Adjunct)

**Cruise Report by Jordan Gmach**

Jordan Gmach reported that he did not get much info from Hump Day Cruises or Tin Can Sailors. A committee was appointed to research the feasibility of doing a cruise for a reunion with the focus on 3–5 night cruise lengths. The committee plans to complete their work in time for use at the next reunion as an option. 18/30 members present were interested in a cruise. This is much higher than previous interest.

<b>Cruise Committee:</b>	Jordan Gmach–Chairman	Dave Holland
	Ted Poremski	Jim Stoute

Selection of Cities for 2016 was determined by each member present voting for their top 4 choices. After casting a proxy vote, there was a runoff between Denver and Branson with Branson winning.

**Cities and Volunteer researchers:**

New Mexico	Dave Amundson	New Orleans	Russell Jackson
Memphis	Don Shea	Branson, MO	Cliff Creek

The volunteers will research their respective city and report to Pres. Steve Rovin.

**Question:**

A question was raised during the Reunion as to whether we should have a lifetime membership level. This will need to be reviewed by the new officers with input from the membership.

This is an accurate summary of the business conducted at this meeting.

Respectfully Submitted,

Charlie Bethea, President–2012–2014
